

Merry Go Round

MSRP \$1,914.00

SALE \$1,276.00

Age Group: 5 to 12 years

Footprint: 4' diameter, 2' 4' high

Use Zone: 16' diameter circle

This Merry Go Round has a new safe design that is appealing for home day cares and child care centers as well as schools. The standing hold bars allow easy turning by children, allowing the center ring to spin and spin. This unit has a pre-greased shaft for years of easy turning. The Merry Go Round is great for strengthening muscles, developing coordination, and social skills as children work as a team to make the unit spin. This particular unit is designed with the age range of 5 to 12 years in mind. The unit is four feet in diameter, so kids can hop on with their friends. The Merry Go Round ships fully assembled as shown, so children will not be waiting long to enjoy playing. It is available in many powder coat paint colors, with or without splatter paint. Be sure to ask our sales representatives which colors are available.
