Brace yourselves! The 3-Foot Wavy Super Slide is ready to carry kids to the bottom in style. Perfect for children in kindergarten and elementary school, this slide's one goal is to keep its users entertained. To keep safety in the spotlight, the galvanized steel posts and handrails are covered in a powder-coated paint, the plastic is rotationally molded ensuring a safe trip downward and the stairs are perforated to allow a constant grip as kids ascend the structure. The 3-Foot Wavy Super Slide is a great slide but makes for a better minecart escape. This structure is perfect for imaginative play and will hone any kid's pretend-time reflexes. The charm of this unit is in its layout and visuals. If this color is not to your liking, it comes in a variety of different shades to fit even the most outlandish styles.
