ASTM F1487-17

CPSC PUB #325

### ADA Compliant

The Large Tree House with Slide will teleport any kid deep into a vast forest. Its charming, tree-like design will quell even the most stubborn onlookers. The Clubhouse Roof supplements the overall aesthetic and keeps your investment shaded. While exploring underneath the structure, kids may use the Stump Window Panels to peer out on the ruckus outside. While ascending towards the slide, the Maze Panel and Tic Tac Toe Panel are sure to grasp any child's attention. One is a visual treat and the other is a classic battle of wits between two players. The Spiral Slide is a reward for the climb; giving children the ride of their young lives back down to Earth. The Large Tree House with Slide is a memorable piece of equipment that will be the talk of the town for a long time.
