

Metal Race Car

MSRP \$1,164.00

SALE \$776.00

Age Group: 2 to 5 years

Footprint: 4' 9" long x 2' wide x 1' 9" high

Use Zone: 16' 9" x 14'

This Metal Race Car allows up to 4 small children to play at any one time. Two children will face one direction and two will face the other. Each side is set up to be the front of the car, so no matter where they are seated, children can drive off down the highway. A support bar separates the two bench seats and provides a little extra back support for those playing. The four plastic steering wheels turn, allowing children to sit and pretend to drive. Two wheel panels can be found at either end of the unit. This equipment easy to install as it uses in-ground anchors. It is also easy to maintain, making it a valuable investment for any early childhood playground. Many powder coat painted colors are available to match existing equipment or coordinate with a new purchase. You can select the Metal Race Car as is or as part of our Choo Choo Express Set.
