The Pink Tot Town Tot House is a great playhouse for your children to interact. The equipment is made of durable polyethylene for years of constant playground use. Brighten your play environment with these great opportunities for creative exploration. While large structures are great for older children, Tot Houses are great for young children and provide a safe and engaging place to play. The dimensions are as follows: 4' 2" W x 4' 2" D x 4' 6" H.
