

Climber Challenge Single Color

MSRP \$5,663.00

SALE \$4,757.00

Age Group: 5 to 12 years

Footprint: 4' long x 4' wide x 90" high

Use Zone: 16' x 16'

The Climber Challenge provides a challenging climbing activity while using minimal space on the playground. The children can climb on all 4 sides. The assistance ropes and cut out hand and foot holds make the climbing safer. The Climber Challenge is constructed with durable polyethylene. The climber is 90 inches high after in-ground installation and requires protective surfacing to prevent injuries from falls.
