

Parallel Climber

MSRP ~~\$3,647.00~~

SALE \$3,064.00

Age Group: 5 to 12 years

Footprint: 1' x 11'

Use Zone: 13' x 23'

For those with limited playground space, the Parallel Climber is ideal as the required use zone is 13 feet x 23 feet. The heavy-duty polyethylene plastic panels have routed shapes for hand and foot grips for climbing and scaling. The mounting posts are powder coated galvanized steel available in multiple colors. This unit provides safe and visible climbing in an independent playground climber.
