CPSC PUB #325

ADA Compliant

Kids will love docking at the Port Angeles Playground System. The color of this unit can be changed to match any scenario or space. The primary and neutral palettes are available for 1 - 2 week shipping. Custom colors can be requested but the shipping times will increase to 7 weeks. Before children abandon the ground for the slides above, children are greeted by a few activities. The Single Drum is designed to be banged on for a funky beat and the Rain Wheel plinks excitedly along to their own melody. Kids will scamper up the Pod Climber to beat their buddies to the Double Wave Slide. The Double Wave Slide offers friends a ride together and the Wave Slide is a solo glide to the bottom. As far as playground equipment goes, the Port Angeles Playground System is a cut above the rest with its boundless, safe fun.
