

Recycled Plastic Heritage Bench

MSRP \$964.00

SALE \$849.00

Highlights:

- Two frame color options
- Offers strong support for long usage
- Bench frame has hole for surface mount
- Slats made completely of 100% recycled materials

The stylish and durable Recycled Heritage Bench by Frog Furnishings is perfect for any park or garden as it can be placed neatly on paths or in grass to add to a nice day out. It is made with nine 2-inch x 4-inch Resinwood slats, which is made of 100% recycled plastic, and heavy-duty cast aluminum frames that are powder-coated. The cast aluminum frames are available in black or green. The seat is available in cedar, gray, or green. Custom colors are available for quantity orders. The under structure is heavily braced with length and width supports, making it capable to hold large capacities. Heavy duty, zinc coated hardware is included with the bench. The Recycled Plastic Heritage Bench frame has a predrilled hole for surface mount, and surface wedge anchor is included for surface mounting.
