

Recycled Plastic A Frame Picnic Table

MSRP ~~\$1,393.00~~

SALE \$1,226.00

Highlights:

- Frame is always black
- Three planks create the tabletop
- Classic wooden table design in Resinwood
- Environmentally forward thinking by using recycled plastic

The Recycled Plastic A Frame Picnic Table is a simple design, one that is as often used with wood and steel tables. Recycled plastic is the foundation of the most creative tables in the park supply industry. The Recycled Plastic A Frame Picnic Table will blend into any traditional environment. The table is made with 2" x 10", 2" x 6", and 2" x 4" recycled plastic boards. The base is available in black only, while the slats are available in cedar, green, gray, or red. Heavy duty zinc coated hardware is standard. An ADA model is available for accessibility.
