

627 Dual Grate Cantilever Grill

MSRP \$1,243.00

SALE \$1,057.00

Highlights:

- Easy to move grates
- Two offset grills at differing heights
- Wide square post for support
- Large combined surface for cooking

The 627 Cantilever Grill provides double the space for park goers. Designed to withstand the harsh outdoor elements, the 627 Cantilever Grill is powder coated black for rust resistance. An added bonus of the black color is that it will hide soot from the flames. The handiest feature of this grill is the flip-back grates. The throw-back design allows for easy cleaning and fire starting, no matter what your material is. Set on a 4-inch post, the grill will be able to handle the heartiest of barbecues. The 627 Cantilever Grill, made from durable steel, is designed to handle years of use.
