

Tot Town Mushroom Kottage

MSRP \$2,941.00

SALE \$2,471.00

Age Group: 6 to 23 months

Footprint: 4' 8" W x 8' L x 5' H

Use Zone: 10' 8" x 14'

The Mushroom Kottage offers young children appropriate play equipment both inside and out. Inside the playhouse, your children will find animal and insect shapes. Outside, the activities and slide make the Mushroom Kottage a great choice for your playground. Includes Toad Stool chair. Ships fully or partially assembled (choose below). The Mushroom is fully loaded with age appropriate manipulative play events and constructed of durable double-walled rotationally molded plastic. The Cottage features twelve activities and is easy to install, clean, & supervise. Enlarge the images above for close-up views of the activities including phone, mailbox, mirror, toadstool, bear, and paws.
