This Metro Style Park Bench by Webcoat is where durability meets flair with its solid, one-piece design that features vertical slats and a curved edge on the bottom for comfortable seating. This unit is sure to be a beautiful addition to your area, adding that extra touch needed to make patrons and guests sit back and relax. The stout, one-piece unit is built using 7-gauge heavy-duty ribbed steel that can hold multiple guests at once. Additionally, this bench is resistant to water damage, mildew, and fading due to sun exposure thanks to the polyethylene coating. The finish is highly durable in any situation and keeps the bench looking pristine for years to come. The stylish design is available in a four and six-foot size to meet your seating demands. A neat mix of colors is available for the polyethylene finish, allowing you to personalize the unit. This bench is unique as it ships fully assembled and ready to be placed, unlike most site amenities that require some basic assembly. The Metro Bench comes portable with holes in the frame for surface mounting.
