Footprint: 27' 6" x 29' 3"

Use Zone: 39' 6" x 41' 3"

COMPLIES With:

ASTM F1487-17

CPSC PUB #325

The Natural Wilderness Playground Structure features an attractive and well balanced spread of play equipment, including slides, climbers, and events. Talk tubes provide social play. A tire climber is fun and naturally shaped, while remaining safely formed roto-molded plastic. The half-maze panel and post-mounted steering wheel offer hand game play. The 3.5 inch posts are strong and durable, yet a more cost effective alternative to five inch posts.
