This massive structure is paradise to kids in kindergarten onwards. The Grand Teton Play System is grand indeed; stretching out over fifty feet, this unit has something for everyone. Designed to keep numerous kids entertained at once, this system is crawling with interactivity. The activities on the ground are comprised of a Single Drum, Ship's Wheel, Bongos and Rain Wheel. The Vertical Ladder, Inverted Arch Ladder, Spiral Climber, Rock Hole Climber and Pod Climber take the fun to the upper level. Inside the Grand Teton Play System the majority of the excitement is to be had. Four different slides are strewn across this unit. The Curved Tube Slide, Spiral Slide, Double Slide and Wave Slide bring diversity to exiting this structure. Once back on the ground, the cycle begins again. This unique playground will be the talk of the town.
