**Fall Height:** 48"

**Use Zone:** 30' 6" x 30' 10"

### COMPLIES With:

ASTM F1487-17

CPSC PUB #325

### ADA Compliant

Get ready for an undersea imaginary adventure on the Coral Works Play System. The adventure starts on the Ocean Climber with its crisply molded sea creature shapes including a whale, a crab and even a sea turtle. For those that would like to do coral reef hop, they can head up on the Pebble Climber With Rail. The rails on the sides steady newer sailors as they head to the upper decks. For even braver seafarers, they can challenge themselves with the Pod Climber. For those ready to try their hand at captaining, they can spin the Ship's Wheel on either the upper deck or direct the submarine from below. Then there is nothing left to do but slip down one of the two Wave Slides. Children will find friendship waiting to happen all over this structure whether they are tending an imaginary garden or sailing out to sea.
