

Triple Whammy Playground Structure

MSRP \$87,674.54

SALE \$74,524.00

Age Group: 5 to 12 years

Footprint: 29' 3" x 48' 7"

Use Zone: 41' 3" x 60' 7"

The Triple Whammy playground structure offers climbing and sliding activities on a single piece of equipment at an affordable price. The Alpine Thunder slide features three distinct chutes, each a different sliding experience. This unit is built with heavy duty 3.5 inch diameter steel posts. Since this unit is modular, you can add to this in later years and expand the structure. The structure includes decks up to eight feet in height.
