The Canyon County overlooks the playground, standing wide and tall while mirroring the environment it resides. This is a nature inspired structure that offers many fun activities for children all on one structure. It is best suited for large areas that can handle a lot of fun. There are multiple slides for kids to take turns on including three Straight Slides, Right Turn Slide and a Double Slide. Climbers are located on all sides of the structure including a Snake Climber, Wavy Snake Climber, Pod Climber Vertical Ladder, Ribbon Climber, Rock Hole Climber, Rectangle Manhole Climber and Chain Climber. Interactive Panels such as Bubble Panel, Store Panel, and Bongos encourage friendliness and camaraderie. Other Panels include a Rain Wheel and Bench Panel. While this structure is shown in natural green and tan colors, this structure can be colored in your choice of hues.
