The Adventure Galley Play System isn't all just looks though, the real fun is had inside. There are three slides to choose from; the Tube Slide with its wacky colors and the Double Wave Slide for fun with a buddy. This structure will have imagination's racing as kids explore the many facets and nooks. They could have imaginary ship battles or scour the oceans for buried treasure. It is also ideal for social development; allowing multiple kids to play at once on this gargantuan structure. The possibilities of this system are as endless as the seas.
