The Deep Space Tres Play System is the future of playgrounds, bringing you an innovative and fun structure to your playground. Children will feel like they are onboard a spaceship, commanding their own team. This structure is PACKED with so many fun and exciting activities that preschool and grade school children will love. There are four slides including two Straight Slides with openings that are formed to look like space helmets and a Tube Slide with a clear panel. They can play an astro themed game with the Space Tic Tac Toe Panel. They can then climb from one ship to another with the Bones Bridge and Tube Bridge. To top it off this structure comes with many cool toppers such as the Orbital Topper, Comm Dish Topper, and Scout Ship Topper, completing the cosmic look.
