Unit Size: Seat 16-1/2" high, Handlebars 26" high

Just because a child is old enough to ride a bike, does not mean that they want to. Many prefer the comfort of this SilverRider 14-inch Trike. It is recommended for ages 4 to 8-years-old and has a nice large showy wheel in the front that complements the chrome design. The seat is comfortable, supportive and has a nonslip surface, and heavy duty rubber handgrips offer something to hold. This trike has a ton of safety features, including a no-pinch point steering limiter, no exposed hardware on pedals, one-piece welded crank, spokeless wheels and rubber tires. The welded steel frame and self-lubricating nylon bearings tell you that it was made to last. It arrives fully assembled and comes with a 5-year guarantee. Replacement parts and lifetime service are available.
