The DOGIPOT Green Aluminum Header Pak Junior Bag Dispenser offers every dog owner easy access to the bags they need to keep your outdoor areas clean. These free bags are easy to see and easy to grab even for those dogwalkers in a real hurry. They come with a reminder to clean up after their animals for the benefit of the whole community. Simply offering these attractive, tough bags will do a great deal to reduce any dog waste issues you are having in your park, neighborhood, or animal-friendly area. Additionally, this dispenser is hardy enough to endure the elements and keep looking good. The powder coated forest green color will resist wear and rusting from rain and snow. The lock on the front also allows you to securely replace bags without the risk of the dispenser breaking or someone taking more bags than they need. Place the DOGIPOT Green Aluminum Header Pak Junior Bag Dispenser at a convenient location along any walking path, and just watch as this small change makes your areas cleaner and more pleasant for all. DOGIPOT also offers the following alternative dispensers: Green Aluminum Junior Bag, Green Aluminum Single Roll Bag Dispenser, and Green Polyethylene Junior Bag Dispenser.
