The Green Aluminum DOGVALET is an important addition to your park, allowing people who have traveled to your playground with their dog to pick up their dog mess even if they didn't bring any bags with them. The Green Aluminum DOGVALET is a great addition to your playground, and can provide 400 bags within a front-locking access panel. The box has two slots to let dog walkers take bags, and the instructions on how to use the DOGVALET are printed right on the front of the box. You will be able to provide ample amounts of bags within the box, cutting down on the need to refill. The Green Aluminum DOGVALET comes with a 4-foot long mounting post, 2 rolls of 200 DOGIPOT Litter Pick Up Bags and 1 box of 50 DOGIPOT Liner Trash Bags. This product is also available as the Beige Polyethylene DOGVALET and Green Polyethylene DOGVALET.
