You can never have enough or too much storage space in a preschool. This Value Line Preschool-Age 2-Shelf Storage unit is perfect for everything from toys to coloring books to finger paint supplies. Items can even be placed on top of the unit as well, and the bottom shelf has a divider, to help reduce clutter. The panels have all been made from thick maple-faced melamine with round edges for safety. The last thing you want are sharp corners in a preschool. The unit resists stains and scratches, and can easily be cleaned. The Value Line Preschool-Age 2-Shelf Storage unit is a must-have because it will serve its purpose for many years, as a lifetime warranty on material and manufacturing defects is provided. This American-made product comes ready to assemble, with all the tools and hardware that you need.
